

**OFFICE OF THE CONTROLLER OF EXAMINATIONS**

---

**Ref No: SUN/COE/CIA/ 02****Date- 09-04-2020****CIRCULAR****Sub: CIA- 2B Examination, April-2020.**

As per circular regarding CIA- 2B Examination, April-2020 (Ref No: SUN/COE/CIA/ 01, 2/04/2020), CIA 2 B examination was scheduled from 9<sup>th</sup> April 2020. However, It is been observed that some students have completed the exams and some students faced difficulties in getting the login and OTP. Quite a few students also faced problems due to poor data connectivity at their end.

So to streamline all this we are hereby postponing the ongoing CIA 2 B Examination with an intention that no student should suffer due to network issues.

The students who have completed their exams will not be giving the same exam twice and those who have left inadvertently will be allowed to reappear and the notice will be served by the Office of the COE once the issue is resolved.

The students are advised not to panic, remain calm and the instructions will be given on the web site soon.

As all of you know that we are facing the pandemic so it was a sincere effort to conduct the examination online, but something's is beyond control like network connectivity.

So when everything is streamlined we shall resume the CIA 2B Examination. Students will be intimated regarding the further schedule of CIA through Dean/ Associate Dean of their concerned schools.

.

**Dr. Mahesh Endait****Dy. Controller of Examinations**
